Stagehand, Winter Park, FL

February 2016 – March 2016

- Helped set up and break down audiovisual equipment for live events at Full Sail's *Live 1* venue

ACADEMIC EXPERIENCE

Project & Portfolio IV,V,VI

- Acted as several position for my classes' live labs at Full Sail *Live 1* venue; those position were mainly audio such as broadcast, simulcast, broadcast assist, and monitor assist. For broadcast, I mixed the audio that was being recorded into the video for that live lab. For simulcast, I mixed the audio that was being recorded into protocols and the CD for that live lab. For broadcast assist, I set up the 2/4wire comms system for the live lab and assisted the broadcast engineer; as monitor assist, I helped set up the monitor wedges, check feedback, and assisted the monitor engineer.

SKILLS

- Proficient with Pro Tools and Logic Pro
- Working knowledge of SD9 and Calrec
- Proficient in Microsoft Word and PowerPoint
- Organized, efficient, focused, and great communication
